

Core Values

Passion Statement

To Continually Pioneer and Set New Wireless Communications Standards

Core Values:

1. We value and demonstrate strength of character above all.
2. We serve the collective best interests of our customers, shareholders, and employees at all times.
3. We operate our business with respect and quiet strength.
4. We are passionate about delivering tomorrow's solutions today.
5. We embrace, support and promote life balance: work, family, self.
